Like all Henry Brooks products, these showers are manufactured to our exacting specifications, and constructed and finished with rugged, hard-wearing materials, so you know that they'll look like new for ages. They are practical, watertight, easy to install and have a full one-year warranty.

Our extensive experience in renovating bathrooms (since 2000) means we know exactly what is important in shower cubicle design, construction and installation.

Our products are approved by Housing New Zealand as being robust and sturdy, surviving a 200 KG weight being dropped 5000 times onto the shower tray without any structural damage at all.
