Custom Acrylic Shower & Bath Liners

Company Name: Phone: Ordered By: Email: Date: Date Required: Order #: Notes:

For pricing please fill in the form above and the diagram below, send to us
and we will respond with pricing and payment options.

Don't forget your phone number.

Please indicate position of optional Shower caddy - if required.

Please indicate either a 2 or 3 sided shower liner by drawing your requirements on the image below.

Examples on page 3.

Liners to be collected from our East Tamaki Factory. Freight can be arranged please phone to confirm costs.

**NOTE: For the easiest install all your walls should be square, flat and perpendicular
to each other and the floor. This will save you money and the installer time.**

The diagram shows a rectangular shower enclosure with dashed lines indicating dimensions. There are input boxes for width and height on all four sides. Inside the enclosure, there are three oval shapes representing shower caddy positions, labeled 'Left', 'Middle', and 'Right', each with an associated checkbox. Above the enclosure, there is a checkbox for 'Moulded Liner?' with 'Yes' and 'No' options. Below the enclosure, there is a box for 'NOTES OR COMMENTS'.

Moulded Liner?
☐ Yes ☐ No

☐ Left ☐ Middle ☐ Right

NOTES OR COMMENTS

Placement of this order is confirmation that you are aware this is a custom made product and is not refundable.

Thank You For Your Order

Ph: 09 913-3110 Fax: 09 913-3113
5 Smales Rd, East Tamaki,
Auckland

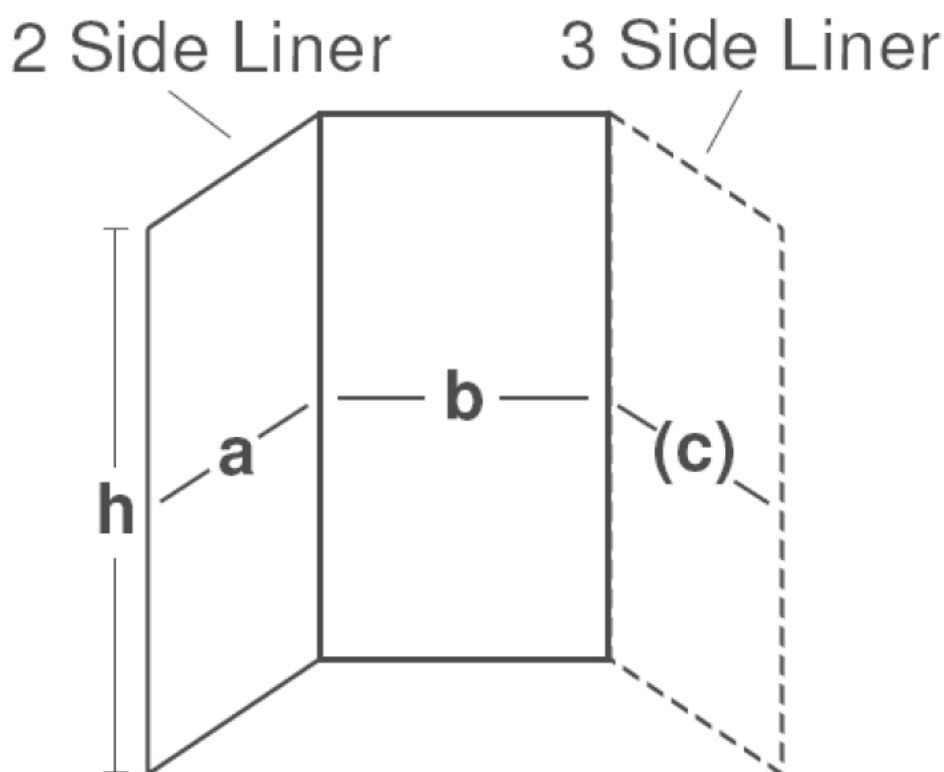

Email to: sales@henrybrooks.co.nz

PLEASE NOTE:

1. The maximum combined width of our wall linings is 3600mm. The maximum height is 2000mm.
2. The standard height shower lining is 1830mm. The standard height bath lining is 1550mm.
Please tell us the height of your shower door or the height you require
3. Please ensure order is accurate as **custom linings are non-refundable**.
4. Orders once commenced, cannot be altered or cancelled.
5. Orders will only be accepted on this order form.
6. Installer must use an adhesive that is specified by the manufacturers as being suitable for use on acrylic wall linings. Failure to do so will void any product warranty .

Henry Brooks & Co Ltd recommends

Sika Showerbond, ***Bostic Showergrip*** and ***Staerk ShowerBond***
adhesives which can be purchased separately.

Max Length of **a + b + (c)** is 3600mm

Max Height **h** is 2000mm

Standard Shower Liner height **h** is 1830mm

Standard Bath Liner height **h** is 1550mm
