

# FREESTANDING BATH COLLECTION

## Freestanding and Back to Wall (BTW) Baths

Elegant, functional and stylish, freestanding baths are the hottest modern sophisticated design statement. Henry Brooks has a wide range of free standing baths in several styles and finishes.

While these baths are available in a number of sizes. They are easy to clean and will fit with almost everyone's bathroom requirements. The smaller size baths are very popular for families with children, Other freestanding baths provide a romantic haven in an otherwise hectic household.
